The Premises:

Nice clean and tidy. Very discrete flat on Newhall Street in the city centre. No problems with parking (pay & display during day) and felt safe.

The Lady:

About 5ft 3 tall, lovely curves and very pretty face. Slightly bigger round the waist than her pictures suggest, but overall attractive.

The Story:

Saw her advertised on another site and liked the look of her profile. Was slightly put off to begin with as i felt pressured into making a booking when i initially called to inquire.

Didn't enjoy it at all. It felt rushed and wasn't the GFE as described on her advert. I completely lost interest and couldn't get going. When she realised this, she got up apologised and left me to get dressed. Very unhappy and complete waste of money.
