The Story:

What a sight!

She looked a little tired but it was nearing her end of day.

off came the clothes and on with her lipstick....

She is a hot chick and made me very horny, she licks the ears and very nicely too!

In front of the mirror she gave me a lovely BJ and then the main course was served.... won't go into too much details but i did enjoy my time very much.

Guys be nice to her...

If your reading this i hope you smile....
