The Story:

After a few hectic days work in london this week i decided to treat myself, definately in need of some special attention! Ive had my eye on Rio for a while, thought its about time i booked the hottie...

Rio came to my hotel bang on time, she was very sweet natured but also quite flirty and forward, we were straight on the wine while undressing each other, she ripped all my clothes off and pushed me on the bed, horny girl! I will leave the details of the next 2 hours to your imagination but i have to say that shes fantastic at OWO, i still cant stop thinking about it.

I definately want to see Rio again next time im in london and would highly recommend her to anyone who is up for a firey night of passion and excitement, shes a wild one!
