### The Premises:

Flat shared with another WG in safe modern block near Woodside Park tube

### The Lady:

Slim/skinny Iranian girl in her early/mid 20s. Fair to olivey skin. Small breasts. Not bad looking in a waif-like sort of way. Doesn't much resemble the pictures on her profile page, but they could be genuine. Not sure.

### The Story:

Pleasant girl. Excellent English. Has been here many years. Exceptionally enthusiastic FK which is a rarity. Smoker which may put off some. Also goes by the name of Middle\_Eastern\_Babe, though a pedant would say that Iran is not technically in the Middle East.
