The Story:

Lana came to my hotel and looked great. We settled down with a bottle of wine and she had a few cigarettes. Lana is a very intelligent companion and the conversation was easy and enjoyable. We started to get more intimate with lots of long kisses on the sofa and she then went to change into something more exotic and emerged from the bathroom in a basque and heels. Lots of kissing, oral and reverse oral ending with me finishing in her mouth. After a recovery with more wine and chatting we started again and had sex in a number of positions with me finishing in mish whilst kissing her. It was a really enjoyable meeting and for anyone going through the area, I would recommend seeing Lana.
