Great figure.

The Story:

Started with a chat as this was our 1st meeting it was good to get to know each other. Great kisser, full tongues, heavy petting and nipple nibberling. One of the best BJ's Ive every had lots of ball licking and rimming, took all of my dick into her mouth and could feel the back of her throat. I had warned Helen that as I havent had any action for a little while I was likely to explode fairly quickly, however her skill kept me at bay for long enough to get the full enjoyment. She knew when I was close, as soon as I felt her finger near my butt hole I could not hold back anymore, warned Helen I was about to cum and she kepted my dick in her mouth and swallowed the lot.GREAT. Did not get around to shagging, will have to save that for my next visit.
