The Premises:

This is a parlour based above a parade of shops on the main street into middleton in manchester

The premises are clean comfortable and fit for purpose of punting

There are showers on suite in all the rooms and clean towels and bed linen all the beds are double to king size

on arrival i was offered and had refreshments and made to feel like i was a regular only having been the twice before

parking during the week can be difficult but there is a carpark 50 yards from the parlour or parking limited out side the premises when there is a space

The Lady:

Naomi is a petite size8 brunette and the hair colour is natural she has a small but ample pair of breasts but what they lack in size they make up for in looks and she has responsive pert nipples she stands at 5/6 to 5/7 and is very pretty and has a cute smile and she does smile a lot

Very pleasant and also i found her sweet in her manour and conversation.

she has a nice tight sweet pussy to, that is shaven and as smoothe and as soft as velvet.

The Story:

I opted for a 30 min service and the the service turned out to be exactly what i expected as i chose Naomi because she reminded me so much of crystal whom also works at this parlour

Let me just say i was not dissapointed in any way she delivered a first class service

having tried reverse O and 69 and every position that time would allow

incedently she also tasted fresh and sweet on the lipps and was very attentive and receptive in the room

Something that always impress me is when we was done she cleaned my old man this should but does not happen always in some parlours and i think its such a nice touch i recomend this Angel of the north west

thanks Naomi xx The Chef
