The Lady:

Average looking girl; big breasts and unfriendly manner.

The Story:

Turned up at hotel and was instructed to wait for her by the lifts in reception. As the lifts opened I entered and introduced myself, to which her eye did not leave her mobile, and she muttered a hello.

On entry to the room, I undressed, where upon I was give HR, whilst she texted on her mobile.

I asked if she would take her top off, which she did. When I asked for OWO, she said her mouth was sore and she could not do it today. I then received a perfunctory blow with a condom on, before she lost interest.

Her attitude was bad, and it was a case of cut my losses, so I got dressed and left.
