Very slim and petite Chinese girl. 4' 9" maybe?

### The Story:

I have seen Ann a number of times. In fact this is my establishment of choice these days. Despite being tiny she has lovely pointed boobs and a cute shape. Constant passionate FK all the way through. Great OWO. Nice massage - for a tiny lass she has strong hands! I had to bite the pillow when she massaged my feet - she was a great loss to the Spanish Inquisition! Sex in a number of positions including 10-15 minutes eating her adorable pussy. It is SO lovely! She appeared to enjoy my efforts. Then a hand job to finish. She helped me dress as usual.
