### Details of Service Provider:

### The Premises:

quiet location but plenty of people in cars and on foot in the area. If your quick and sly nobody will batter an eyelid. In the safer part of Soho. No issues with inside, its the same as the others and fit for purpose

### The Lady:

Eastern european lady, blonde with huge boobs. Looks were ok, but her boobs are worth the fee alone. mid 20s with a friendly good attitude.

### The Story:

Nice bj but a bit rushed. Wouldnt have minded it lasting a few mins longer!! Seemed to be getting turned on when i was lancing her in missionary position. Her on top, with her enormous boobs swinging from side to side is an amazing experience!! must be at least a G CUP? Finished me off by hand with her giving me a oily hand job, loved covering her hand in spunk. Great punt and a decent lady for a quicky if in the area. Cant remember when else she said she worked?
