The Premises:

Well reported establishment and one I have been frequenting for many years now. About 30-minute walk from the main train station in an industrial area.

The Lady:

Lisa is advertised by the maid as a ?lovely young French girl?. However, she freely admits that she?s 27 and Brazilian! She sports a generous 34-DD bust with an all-over velvet complexion. Her English is perfectly adequate, but not sufficient for deep philosophical debating! Despite that, a ?lovely? girl indeed. Chattered very amicably throughout.

The Story:

Lisa gave a very sensual service, ticking many of my personal likes, such as body-to-body massage (no massage itself), a slow and light touch and plenty of body-kissing. Ball-licking was also given with tantalising exquisiteness, although she explained that she does like highly-hygienic, nice-smelling, shaven men.

Hand-work, oral skills (even put condom on with her mouth!) and sex in various positions were all accomplished with mutual satisfaction, and she did not make any pretentious remarks/noises and actions.

A very relaxing 8/10 punt, slightly tinted by the pricy-nature of the occasion. Standard service in this establishment is usually ?45 with a ?10 door-fee. This girl wanted ?60 and then the door-fee. So, I paid more for the service than I usually get.

All-services, which include OWO, RO and CIM totalled out at ?90 and anal, which was very tempting with this beauty, was offered for ?140, which is an outrageous sum.

So, a slight sour note, but certainly not one to put a dampener on a thoroughly enjoyable event!
