The Story:

I've not written a report before, so the fact that I am writing this should speak for itself.

Kizzie probably gave me the best sexual experience I've had in many years, but that was down to the fact that I was honest with her in what I wanted, and because I knew what she liked from her website description. She was really slutty at the end, and it was just great sex.

If I could afford to, I would visit her quite regularly.

If you like what you see on the website, you will love her in the flesh.
