The Premises:

Angels just moved to a new location in Gloucester.

The flat was OK but in need of some TLC.

Location was clean and tidy and I felt safe in the area, local public parking is available.

The Lady:

Slim and quite petite, Angel has the sexiest hair it sort of cascades down and makes her look very "fuckable"

The Story:

Just went for straight sex, Angel can "french Kiss" for England. She seemed to enjoy my fingering of her lovely pussy. We finished with Angel down between my legs rimming me, she then proceeded to suck my cock until I blew my load into her sweet mouth, she swallowed the lot.

All in all a great half hour with a very sexy girl.

Angel has a great personality and deserves to be looked after.

A great girl will be visiting her again soon.
