The Premises:

I saw Roxanne at her flat in Cardiff, a place where you feel safe. It is in a nice area of Cardiff just off the city centre. Don't forget some coins for the parking if you see her during the day, but otherwise there is not issue

The Lady:

She is gorgeous, beautiful eyes, great body. Description as per her website

The Story:

Roxanne puts you at ease from the moment that you meet her. No awkward silences, just great fun with a great girl.

As for the bedroom activities? Hot, hot, hot! Having Roxanne teasing you and having her body writhing sensually against yours is an experience to behold.

Just crashing out with this girl afterwards, enjoying the sight of her naked body whilst chatting away as if we had known each other for ages just made the visit.

Would I see her again? Oh yes! Actually I have a few times.

Treat this lady well, as she is just great. Am trying to get her to run away with me, but then I think a few other guys are too! Lol.
