The Premises:

Good area, within a few minutes walk from Green Park station, but the building has seen better days, and the same can be said about the flat.

The Lady:

Not the lady on the website. That said, she was pretty and had a nice body, around 5'7", with A/B cups. Her English is more than adequate, and she has a good education.

The Story:

Clearly a bad start, as she definitely was not the girl on the website, and I almost turned back straight away, but she was friendly and polite and I chose to stay. OWO was very enjoyable and finished with CIM, after which we chatted for a some whilst I played with her very enjoyable bits. We moved into cowgirl, and she had excellent control of her muscles, resulting in a great orgasm. Whilst the Vanessa I met was a nice girls, I will avoid the agency in the future and will not try to book her again, as I may as well end up with someone else.
