The Premises:

Near the Asda, top floor of modern block of flats - was fine. However, shared communal lift and security door to enter.

The Lady:

She advertises on another website and has photos. She is much worse than the photos and profile. She had yellow crusty yellow nails, smokers breath and strong body odour. She is also obese with huge stretch marks - not what I expected!

The Story:

She does not do what she offers on her profile - she was very quick to take the money from me and then tell me this afterwards! She also started to dress and say she had another booking!!! What after collecting money from me for an hour. I went away totally and utterly flabbergasted - was this for real!!! Tread with care, also uses the name Christie. She is Dutch and a former nanny who got sacked and has been a working girl since. Also operated from a place in Leicester Square previously.
