### The Premises:

Ground floor Flat near John Lewis end of the shopping center.

Pretty empty car park at that time of day.

Clean, warm cosy rooms, with clean towels provided

### The Lady:

Gorgous, tall finnish girl. About 24, 5'9, Size 8/10, 32D Chest, has great bright eyes.

### The Story:

Welcomed in by the lovely Summer. (I think, well, thats what someone called her when I was waiting at the door)

Led into the bedroom to wait for Jess who some entered soon after.

Said our hellos and paid and offered a drink.

Started with LFK before moving to DFK.

Kissed all the way down her body while disrobing her and moving to the bed.

Moving on to RO noticed she had a clit piercing. Never tried it with a piercing but it really seemed to work for her as she was soon panting with delight (Maybe a bit of trouble for me with it clanking on my teeth)

Her turn to return the favour and enjoyed a great OWO session.

Soon on with the rubber a long session of cowgirl carressing her body with DFK before moving to missionary (mainly cos the bed must be the noisest thing in MK and was worried id pee off the rest of the staff and clients).

After relaxed stroking each other and chatting.

"Do you think we can go again?" she asked. "Well we can try" I replied. Obviously not mentioning the fact that she was the third girl Id seen that day.

A long great session of OWO and I was raring to go again with a nice long session of doggy.

Relaxed for the last few minutes giving her a massage.

Great very friendly girl who enjoys what she does. And being able to give me two rounds in 45mins

after Id already seen two other girls before hand means she definalty deserves a medal
