Attractive quite tall mature busty blonde lady, well spoken, clean and the sort of person you would look twice at if you met her in the street.

The Story:

Before we met I discussed by phone and email what I wanted, which she kindly agreed to. When I arrived I was made to feel instantly comfortable and offered a glass of wine. She provided exactly what I wanted, with patience and a professional spirit and I am very satisfied to say the least! She is considerate always thinking of providing the best to the customer both with the environment and with her amazing service I would highly recommend.
