As previous FR, on main road but fairly quiet, bit open walking to and from but doesnt seem to be that well known locally.

Small reception lounge area, small massage room raised single bed, large TV showing a selection of porn, shower room adjacent

### The Lady:

described on phone as mid 30's, brunette, 34D and 5'2

very good description ( by voice I d say it was Lucy who answered the phone)

really pretty, wearing a white very short nurses white smock, black hold ups, very high heels and nice black & white, lingerie.

### The Story:

no FK which was a pity but nice massage, chatty and really good touch after stripping down to panties stocking & shoes,

lots of attention downstairs, covered O, asked for a 69 and wow was she enthusiastic, lots more playing before missionary and finished with HR

first punt for ages and very pleased with it,

definitely be back
