### The Premises:

My place

### The Lady:

About 5ft 6" thin with nice tits but an awful attitude.

### The Story:

Worst punt ever. Looks nothing like the photographs on her profile, strong hint of Brummie for an Oxford girl. More interested in drinking the Lambrusco and Fanta she brought with her. Arrived hungry and asked for something to eat! Refused to kiss although this is given as a service on her profile. AVOID at all costs. Can only assume this individual has hijacked Angels mobile phone. Left after 45 mins, after a weak attempt at a blow job, no sex and ?300!
