The Premises:

Dianna visited my place, no mean feat since i live in the middle of nowhere, about 2 hours north of her base. 10 out of 10 for navigation.

The Lady:

Early 30s, very pretty as per pics and description on her site. Fairly new to the business me-thinks.

The Story:

This Lady oozes sophistication and sensuality. Conversation throughout was intelligent, thoughtful and witty. Certainly no clock watcher.

I had made the appointment about a week in advance and a nice touch was Dianna contacting me to confirm I was still up for it and enquiring if i had any special requests, clothing etc.

The lady loves to tease and had be on the brink for a very long time with a magnificent technique, the best I think I have ever had. Ladies prerogative with or without. I was lucky.

More sweet tender kisses, this tongue is no pneumatic drill unlike some others, this tongue knows how to please a person.

At an appropriate time, I was given a choice of condom and my carnal desires cessiated.

This was just a wonderful time with a charming Lady who I hope to see for longer, soon. She loves tea, so if you want to impress a carton of PG Tips will go down well.
