The Premises:

I had the pleasure of going to Claire's place. It is a fabulous property, set out in rural West Berkshire, very discrete, ample parking and i most deff felt safe.

It is quite easy to find if you follow Claire's directions.

The Lady:

I had the pleasure of meeting the mature hunnies that's Claire and Trisha.

The profile pictures are very accurate, but you have to see these ladies in real life to appreciate them fully.

Both Claire and Trisha were dresses in amazing outfits, Claire's had a very nice long zip on the front of her outfit which was quite cool and Trisha lingerie was very nice.

The Story:

Ladies and gents what can i say these ladies have taken me to heaven and back, they helped for fill one of my all time fantasies.

They are the ultimate MILF/GILF duo, super sexy, extremely horny and very raunchy with pure style,class and elegance.

I don't like to go into to much explicit detail but you are in for a real treat with these two, the best of both worlds PSE & GFE combined.

They are both 110% genuine and enjoy what they do.

THEY MOST DEFF DO NOT CLOCK WATCH.

I will most deff be going back but guys if you are reading this just take my advice and just do it ! you wont regret if i could afford to and had the time i would go back tomorrow.

Just make sure you have your weetabix in the morning.
