The Story:

This was the worst punt I have ever had in my entire punting career! I was very disappointed because I have become accustomed to better from this establishment.

The maid is a very nice lady very polite and helpful so I do not wish to put punters off this establishment as some of the other girls are very accommodating.

However Sophie never stopped complaining for the full 15 minutes, she put her hand in the way to stop me entering her properly and she left her top on throughout and touching any part of her was just met with contempt. She did comment that I shouldn't be fucking her! I thought this was what I had paid for?

I left very frustrated and felt ripped off, avoid Sophie like the plague, you have been warned !
