The Story:

Belle answered the door to the flat & led me to the bedroom, we had a little kiss, sorted out the business side of things & asked me to get comfortable while she left the room briefly. Upon her return she unzipped her dress which fell satisfyingly to the floor to reveal her sexy figure in blue lingerie. I beckoned her over to the bed where she began to kiss me & what remaining clothing there was soon disappeared before giving me OWO. This was most enjoyable but I couldn't wait to sample the taste of her sweet pussy & before long I had my head buried between her legs for a lengthy session. From the moans & the look on her face I could see she was really enjoying it as she ground herself against my tongue to increase the pressure before climaxing. It was then on with the condom & Belle straddled me in cowgirl beginning slowly & then increasing the pace whilst I fondled her pert breasts, her long dark hair brushing against my face. We then changed to missionary where the pace really heated up until nearing the end where I withdrew, removed the condom & covered those breasts with everything I had, down to the last drop.

Had a great time with Belle & will definitely be back for more!
