The Premises:

Hotel in Central London. Jessica and Victoria work together in London one day per week, and also tour Southampton.

The Lady:

Jessica - gorgeous black lady aged about 30, lovely big tits, great personality. Knows exactly how to play the slut we all desire.

Victoria - MILF! Long dark hair, great figure, looked fantastic in her fuck me boots.

The Story:

I found their profiles online in the morning, and quickly arranged to see them. It was all easily and professionally done. The hotel was ideally discreet.

After a friendly introduction we got straight down to action. I laid on the bed passionately kissing Victoria while Jessica gave a superb slow blow job. Then Victoria sat on face and let me taste her sweet pussy, and realising my cock couldn't take much more, Jessica jumped aboard for a ride. Soon she was marvelling about how much I'd come!

We cleaned up and chatted for a bit, and within no more than 10 minutes they had me hard again. Time to swap roles. Jess is also a great kisser and her tits demand sucking. Now I wanted to fuck Victoria. We started in doggy, then with those boots up around my neck. Jess lay next to her and started to playing with herself, all the while talking filthy. It was fucking amazing!

Very few girls have made me cum twice within an hour, this was 45 minutes. Will definitely see them both again.
