The Lady:

She is absolutely gorgeous. There are photos of Eliska on her profile, but I 'm not convinced they are actually her. The lady I saw was tanned, with big firm natural breasts and dyed blond hair, she has a slight lisp and quite a deep voice which just adds to the appeal. Facially she is very attractive, all in all quite a package.

The Story:

Lovel DFK laying on the bed next to each other. She gave excellent OWO and seemed to enjoy it when I went down on her. Her breasts are wonderfully full and firm and the view looking upwards as she sat on my face was amazing. After some time the condom went on and we had sex in several positions; she also rubbed her pussy quite vigorously while I was deep inside her. After a good time fucking I came all over her breasts.

A quick shower to finish and a nice chat and I was out pretty much on the hour. But the money was well spent; Eliska is just gorgeous.
