The Lady:

Lady is a true match of the pictures i.e. about 5ft 6, quite slim (not skinny though), beautiful natural very long hair, busty and beautiful face.

The Story:

After going through a major disappointment previous night when calling a 300 pound/hour turned out to be a big mistake (fake girl was sent) this night I wasn't expecting much from an 120 pound/hour add, but I was extremely well surprised when an actual girl from photos turned up. The girl is extremely pro-active and open minded so it was money really well spent. Needless to say she didn't have to ask for a tip as I was happy to give it to her anyways.
