The Premises:

What can I possibly say about Debbie's that hasn't already been said?

The Lady:

tall (five eight) slim, lovely arse etc. - just as described. Very attractive. Well-spoken and very chatty.

The Story:

Tiffany's the new girl at Debbies so when I heard she was a proper masseuse as well as having all the other charms I just had to go see.

OMG a real massage! I suppose she would do the sensual type, but getting a girl to sort your back out and then shag your balls off is pretty unusual.

Doggie a particular favourite (of hers) and I must say we were pretty good at it.

I shall return, perhaps after giving Katie the benefit of my further attention.
