The Lady:

i know we hear this all the time ,but her pics dont do her justice .

i dont know if it was her hair or the sexy black stockings and matching attire,but i knew from the moment i set eyes on her that i was in heaven.

super fit fantastic.

the type of girl who can make you come just by looking at her.

The Story:

i start first with my only negative, i arrived at just after 8 and waited till about 8.10 to see lara and left just after 8.30 , not getting my full 30 mins. i hope lara will make this up on my next visit.

i didnt say anything at the time because i was still on cloud 9(i know you fitted me in late but 10 mins =?20).

the session itself was the best owo i have ever had , nice and slow , tongue moving all ways to a gigantic cim finish.

i apologize for storing up a full load for you, and also for being one sided,you doing all the giving. maybe next time on session 2 we can try cowgirl?

i hope u will want to see me again and that we can have a longer session next time.

you were fantastic..... and are highly recommended.

all the best derek.
