The Premises:

Nice smart flat between Paddington and Lancaster Gate stations ? large flat although she is probably moving to another flat in the same block shortly. She pointed out that the bed was VERY squeaky, and knowing that we were likely to have VERY frantic sex, we decided to move to use the sofa in the lounge ? a good decision.

The Lady:

I first met Karolina nearly 5 years ago on her first visit to London and she remains sensationally gorgeous ? her body is absolutely delightful ? if you are a lover of women with enlarged breasts, she is not for you. If you like slim young women who have no hesitation in undressing in the first 30 seconds and who are nearly nymphomaniac in their need for sex, then get into this sublime beauty.

The Story:

I was greeted with hugs and kisses ? she had only just arrived in London and I was the first client she had seen (on this visit, I emphasise!). Having decided immediately that the sofa was going to be a better proposition than the bed, we were naked in a few seconds and she instantly agreed to join me in the shower ? her very erotic and eager hands all over me.

What followed was an orgy of great sex, screaming and whimpering as I gave her the reverse oral I have always known she loves (aided by a small toy which drove her over the top) then fantastic oral from her before she slipped the condom on and climbed onto my lap. Asking Karolina to go slowly is a waste of time, she can only do frantic sex, and there is nothing more erotic than being gripped by her deliciously tight cunt as she pumps furiously on you. After a few minutes of this frenzy, we moved so she was bent over the back of the sofa and I took her from behind whilst she stimulated her sex with the vibrator and she came explosively and very noisily.

But she is truly insatiable, and we kept on going, and after a few minutes I came in her as she squealed and her tight cunt squeezed every last drop out of me.

The important thing about Karolina is what she did for the rest of the time. She smiled and laughed, she kept stroking my cock even when we weren't making love, we told each other stories, we ate

strawberries I had brought, she kept kissing and hugging me, and had I had the energy, she would have been on me again. The Karolina I first met five years ago was just the most amazing nymphomaniac fuck bunny I have ever met in London. Now, because her English has improved ? help her with it guys, she has an English exam to go to in less than 2 months ? she is the only courtesan nymphomaniac fuck bunny I have ever met.

Guys, she is unbeatable value, and she will give you the most sensational sex imaginable, book her for as long as you possibly can, you won't regret it. No tricks to waste time or reduce the amount of sex you get, she will fuck you for every second of your visit if that is what you want. But most of all, enjoy her, she is kind, sweet-natured and happy, as well as being a total sex bomb.
