The Premises:

it was a private house back to back in a quiet location with on road parking plenty of space the house was double glazed and a little untidy inside but i was not there to look at the decor and the cleanin regime what was lacking in those areas was for made up for by the looks of the girl i was visiting.

The Lady:

Rachael has a very soft alluring Voice when you phone her and its very inviting she is pleasant and very good looking and stands about 5/8 without heels she was wearing a little black number mini skirt and black bra wich she was looking very very nice and sexy in she has beutifull eyes and her tits are to die for very hard nipples standing prominent her hair is short and bobbed ad look sort of red to brown in colour she had made the effort and put make up on though i really did not think she needed this being a very attractive girl

The Story:

on entry she ask for payment right away, fair enough she did not know me at all she told me top of the stairs in the bedroom nxt to the bathroom and i climb the steep stairs to find a double bed with clean linen on she followed me undressed her self and lay on the bed waiting for me to do the same on with the overcoat and some playing to get the stiff attention and then without asking climbed on board cow girl for a ride after a while she climbed back off and began a very deep BJ with expertise i then opted to hand relief my self on to those wonderfull tits whilst she masterbated that tight hole down below i shot cleaned up dressed and left with a smile on my face and a yearning to return when i can The Chef xx thx rachael
