The Premises:

Private flat in a block of 3 floors with a door entry system

The flat was very clean with fresh towels in the bathroom and the bedroom. The area was safe for parking and the entrance to Gemma's flat could be approached discretely.

The Lady:

Roughly 5'7" but she was wearing boots! Lovely jet black hair which fell just below the shoulder black hair. Full lips which she used to good effect! She is also very attractive to look at, definitely my type with nice big tits.

The Story:

Gemma took me in hand and was in control from the beginning. She could have made me cum a dozen times but skilfully stopped short each time. Her OWO technique was indescribable and she accomodated my particular kink with lots of attention to my arsehole before jerking me off over her gorgeous breasts. I'm hooked!
