### The Premises:

Smart city centre apartment as previously described. Nearby parking no problem.

### The Lady:

Exactly as described on the website, although mere words cannot do justice to that gorgeous body of hers. Tall big breasted girl with the most beautiful pair of legs I've ever seen.

### The Story:

Won't go into details but all I will say is that I had read Megan's rave reviews at other establishments and decided that I just had to make the effort to meet her. Well chaps I wasn't disappointed and I don't think i've ever enjoyed myself so much in 1 hour. An hour with Megan is the best antidote you can imagine to clear away the blues.
