The Lady:

Tall, brown hair and eyes, very pretty face, fantastic legs and bottom an overall great figure. Very pleasing on the eye and I was instantly attracted.

The Story:

After a quick Holly put me at ease straight away with a deep kiss and got to touch her well toned body. A massage was offered but we started straight into french kissing and stroking her body. She was very good at owo and after playing with her for several minutes I gave reverse oral. After doing this in various positions we had sex in a number of positions before if finished off on her boobs. Holly is superb and would love to see her again as soon as possible.
