The Premises:

Usual impeccable standard for the Retreat.

The Lady:

Tall, 5' 8" (?), well over 6' in heels, dark haired lady in her early twenties. Very pretty lady and she listens to what you want out of a session.

The Story:

Had a good 'tie and tease' session with Cherry, thought she was checking my limits and suggesting new things to try. Half way through we indulged in some watersports, although I was disappointed with the amount she was able to produce, despite my requesting this when booking and when confirming.

None the less I enjoyed myself with Cherry and may very well be returning.
