The Premises:

Safe area, busy too, so discreet - no problems finding the location.

The Lady:

I had read some reviews on Celia- she also goes by some other similar names.

Her photos have been photoshopped (of course), but she is still a pretty woman - maybe an extra pound or two - but she is the girl in the photos.

The Story:

first time dealing with this agency, they were very prompt confirming the details/address.

When I arrived Celia seemed a bit moody - but I realise now that was just anxiety with neighbours, and getting me in her flat quickly.

Had a nice time with Celia, she is cute and funny - but she does not FK.

All services were performed well - just vanilla stuff- she has a good sense of humour and after we finished the physical stuff we had a nice chat - her English is good.
