### The Premises:

Ladybirds. 1st visit in over a year. Used to be a regular but work means I am not in Leicester much these days. Favourites back in the day were Toni and Ellie, sad to hear what had happened regarding the latter.

### The Lady:

Chose Vanessa, an Italian lady, MILF, enhanced breasts. Very attractive.

### The Story:

A decent massage where I got to know Vanessa. Her English is not brilliant, which ruled out much dirty talk later in the punt. Stripped off during punt, she was critical of her body, but I could not see much wrong. Energetic session followed, used whole of the room as benches can be restrictive. Great on knees blow job in view of the mirror. Fucked in 3 positions, with me filling the bag with her riding me. Cleaned me up and continued to gently play after the main event. Nice after sales service in kissing and sucking tits while dressing and left with a lingering song. Would recommend.
