The Lady:

June is a Mature Lady, although she loves Sex she is quite reserved, she has a great pair of tits & a lovely hairy pussy.

The Story:

June opened the door dressed in black stockings, bra & panties, she led me straight upstairs to the bedroom, After a nice cuddle & a long play with those lovely tits, it was down to business as i took her panties down i asked her to show me what she had, her fingers were soon stretching those pussy lips wide open. After i had finished licking her pussy i turned her over & started on her arse (she loves her arse being played with) She sensed i was ready & lubed up on went the jacket & she guided my now throbbing cock straight into her arse, it was so tight so i had to be a bit gentle. Having sampled half the delights on offer i then slipped out & into her pussy, again i was surprised at how tight she was, she let me slip between both her honey pots & seemed to like it as much as i did, alas i could not last any longer & shot my load deep into her, after a little rest she did ask if i wanted to go again, perhaps next time.
