The Premises:

Flat in central MK, safe though obscure entrance to building. Appears to be a flat in a residential building, so be discrete.

The Lady:

Per pictures, though hair is slightly longer.

Good physique, with plenty nice curves.

The Story:

My first field report and first venture into MK, and a good encounter to start with.

Helen was slightly reserved to start with as we had never met before, but once we exchanged a few words she also relaxed - though I am still a bundle of nerves.

Very enthusiastic and unrestrained kissing followed by OWO and CIM was great for me to unwind.

This was followed by further DFK and a massage to destress me.

Clearly, she knows what she is doing as her tongue lavished further attention on me with some deep throat.

I returned the favour (my pleasure too) with some oral on her which I believe she enjoyed.

Further artful OWO from Helen took me onto missionary - she was very encouraging and dirty and a good 10 mins later I was sated.

Helen deserves all her good feedback, she is clearly talented in these arts, and she is a nice girl.

For Helen, I was the tall Asian guy that beat your expectations.
