The Story:

This was my first time seeing Holly and it will not be my last.

I was quite nervous but she made me feel at ease straight away, offering me a massage and a drink to relax me.

After a bit of chit chat and lots snogging Holly proceeded to give me head. I was really impressed with her technique and am sorry to admit that i didn't last long. I should add that she swallowed my cum.

While i was recovering she offered me another massage and we indulged in a little pillow talk. Holly is very chatty and easy to get on with.

We later had sex trying various positions.

After my time was up i was offered a shower which i declined and i left, but i will be back!
