The Premises:

Grotty back-of-shops flat. Not a very salubrious area. Flat itself not too bad but bed was very bare (no pillows, blanket thrown over top)

The Lady:

Much as her pictures on "that" site: but not smiling. Looked tired.

The Story:

Took ages knocking on flat, no answer. Had to ring again to get her to answer. She looked liked she had just got out of bed even though I had only rang her 20 minutes before. She was very uncommunicative and did not appear happy. Sex very mechanical. She is definitely in the wrong job.

Avoid!
