Gorgeous ebony beauty with fantastic hair and a wonderful body that is never forgotten.

The Story:

Been to visit Paris before but this time was late due to an accident on the M32. Text Paris and she was cool about it just asked to keep he updated. Eventually arrived 20 minutes late but put at ease straight away. Paris has a body to die for and always dresses very seductively with stockings and some gorgeous lingere. I have never felt rushed with Paris and she always manages to have time to chat and shower afterwards. If you have ever thought about seeing Paris then stop thinking an get on with it!
