The Premises:

Lucy is a touring escort and we met in a private apartment in the city centre yet in a discreet location, with adjacent parking. The apartment is in a nice purpose-built block, light and airy, nicely decorated and spotlessly clean.

The Lady:

Lucy looks younger than her stated age. She is slim, medium height, with a lovely body, medium sized attractive boobs and gorgeous nipples, big and responsive. She is pretty with warm eyes and an easy, attractive smile, and with shoulder length wavy blonde hair. Her pubes (also blonde!) are closely cropped. With her looks and nice personality she would make an enviable dinner date.

The Story:

Lucy met me at the door wearing a black underslip. she had kindly agreed to see me at ridiculously short notice, and greeted me wearing only a black underslip. I do not normally like half-hour appointments as they can feel rushed (the length of time was entirely my fault, not Lucy's), but I felt immediately at ease with her, and I got no sense of her having one eye on the clock during our time together. She's an intelligent lady with a warm, bubbly personality, a good sense of humour, and easy to chat to.

We had a kiss and a cuddle then I enjoyed a good suck on those big nips before making my way south. Lucy has an attractive pussy with generous lips, which makes for lovely reverse oral. I enjoy a good massage and I would have loved to try Lucy's avowed skills in this area but I had not given myself the time. (Next time, sigh.) We finished off with 69 and Lucy gave me a nice, enthusiastic blowjob. I will certainly allow myself a full hour next time she's in town!
