The Lady:

Very pretty brunette, fantastic body shape, clean and shaven. Hannah met me in a very alluring red and black set of bra and suspenders with seamed stockings at my request wearing neutral makeup.

The Story:

This was our second meeting, Hannah greeted me very warmly, cracked a few jokes and chatted comfortably for a while. Hannah initiated the kissing slowly working around my body very sensually. Lots of ball licking and owo which was quite fantastic but breaking so as not to make me climax too soon. I appreciated that I did not have to tell Hannah not to rush, she seemed as though she had no intention to. She paid lots of attention to me and it seemed only fair for me to return the favour. She seemed to really enjoy reverse oral getting very wet and was very responsive. We moved on to missionary, cowboy and from behind. I had intended to make use of the desk but alas I didn't quite make it. I was not rushed out, Hannah quite happily chatted about her current University studies and our shared interest in music. It was a breath of fresh air to meet a girl that is fantastic in the bedroom department and that can hold an intelligent and interesting conversation. She is a lovely friendly girl and her informal considerate approach almost ... just almost made me forget I had paid for it. A job very well done.
