The Story:

Not much English. Seemed very tired and I wondered if she had been taking something. I have used Bubbles alot since I visit for business here many times a year so I know these girls over a few years. Lucy was unenthusiastic and seemed very troubled. Didn't want penetration and seemed to have a headache. (We weren't even married!!!)Seemed that she doesn't like this job at all. I think she should try something else. I almost felt sorry for her but its her choice....
