The Lady:

Rebecca has an incredibly sexy voice - up-market English but with a soft American twang to it. She also smiles and laughs readily, which makes time with her feel very comfortable and natural. Drop dead gorgeous to look at, with long blonde hair, beautiful big eyes, the aforementioned ready smile, and the most perfect breasts I've ever seen. Big, rather than enormous, and wonderful to suck on. She's recently had a baby, though you wouldn't notice it to look at her - she's got her slim figure back already. She is lactating. I will say there wasn't tons of milk available when I saw her, though there was enough for a taste and a bit of a play. She'd had to feed the baby just before she came out so I may just have been a bit unlucky on the timing. It hardly mattered in truth - everything else was so good.

The Story:

I've seen Rebecca a few times, and had some lovely, quite kinky sessions with her. If there's something you've always wanted to try it'll be worth talking to her about it because she's very broadminded and very good at that sort of thing. On this occasion though I wanted something a bit more conventional. At my request she was wearing a sexy nursing bra (which must have been a challenge to find!) and stockings. We started with lots of kissing and cuddling before moving on to breast play for a while. Then I asked her to masturbate herself which she did; Christ it was sexy to watch. We then had 69 - her oral skills are outstanding and I would have cum in her mouth though she judged it to perfection and stopped just in time. We finished with her on top of me, me sucking her breasts as she rode me. My orgasm was awesome - aftershocks, the works. She seemed to genuinely enjoy it to, and carried on for a while after I came.

Best punt I've ever had.
