The Premises:

A small basement flat in Paddington, well used but clean and suitable.

The Lady:

Betty is a small dark haired girl, she was quite bubbly and fun. Sonia is a little bigger with a bigger bust and blonde hair. Both are quite pretty and friendly.

The Story:

I phoned the agency and asked for a recommendation to see two girls, the receptionist was very good and suggested Betty and Sonia, we discussed a clothing request and I had some questions which she was able to answer and she organised everything for me.

When the door to the flat opened, the two girls were ready for me wearing what I had requested and they grabbed my hand and dragged me to the bedroom.

I hardly had time to say hello before the girls were pulling my clothes off; Betty pulled down my boxers and gave me a long and good OWO, I asked Sonia to help Betty and both girls knelt in front of me and took it in turns.

We moved to the bed, where I had a great time with both girls, who were very enthusiastic and I think Betty in particular was very horny.

The time flew by and before I knew it we had finished up. I had a shower and left very satisfied. I would be happy to return.
