The Premises:

Big basement flat in large block near Edgware Road station off a main road. Nice place. Good size rooms. Anonymous at night. I felt very safe.

The Lady:

Tall Latvian girl in her late 20s. Great figure - pictures are accurate if slightly flattering. Great boobs, nipples like bullets, intimate piercing that made RO interesting. Friendly, not bad English, intelligent conversation.

The Story:

This was a punt in three parts. It started well with a good 'get to know you chat' and a glass of the wine I had bought. Then onto some nice kissing and caressing, leading to RO, which she seemed to enjoy, and OWO on me. This was very quick though and it was soon on with a condom before she climbed on top and then began saying "Oo, aah, come for me baby" almost immediately. I wanted to take my time so I found it rather offputting. Once I got her to slow down things were better, and there was some great massage and HR (I thought CIM was not on offer) with more intelligent chat interspersed. A real woman with a great body but I wish she didn't do the false dirty talk.
