Far better than her photos. Tall, legs that reach to Heaven, slim and a peachy bum. Nice boobs (no boob job necessary)

The Story:

I called without an appointment and was presented with 3 ladies. Liberty was new (I hadn't even seen her photo on the IM site). She laughed from the start and seemed to offer a genuine fun time so I chose her. Absolutely no regrets.

I had a nice bath (she joined me) to clean myself up for what lay ahead. We started with a little body-to-body massage, then OWO which she seemed to enjoy almost as much as I did. A bit of RO, anal play, cowgirl, doggy all with lots of laughter, cuddles, giggles, naughty talk.

I had forgotten to take my little blue helper before I arrived. Liberty got me a glass of water to take it. With a lot of girls that would have been embarrassing, but not with this one. It was just fun and it simply slowed down the time before the old chap was up and running.

Finished with CIM (?20 extra).

If I remember to prepare myself (!) it will be A-levels next time.
