The Premises:

New apartment, very clean and discreet - just the way I like it. Brilliant maid, always makes me feel welcome and a nice person in general. It would be a bonus if Decadents are open during the weekends, as it's one place I enjoy going to.

The Lady:

Physical description of lady: BEAUTIFUL!

Personality of lady: GREEEEAT!

Website is fairly accurate, although I'd say she's 5'7 without heels and a size 10. As as soon as she walked in....my jeans lifted up!

The Story:

I'm suprised there's no reports of Shakira as of yet, so here goes....

From my encounter with Shakira, she loves to fool around and is quite funny...she can talk for the world (talks a lot) saying that so can I! Her age seems quite accurate around the 30 mark, but she can get away looking younger - she simply has a stunning beautiful face and all the right curves.

As on website, services are at her discretion, but with me no complaints here...I'm a youngish guy, in good shape-(that's what she told me) - clean and hygienic. So she was very happy for this reason and seemed attracted to me. To be honest, if you're an older or bigger guy, you could be disappointed.

I spent 1 hour with Shakira and time just flew by! We talked a fair bit - and obviously had fun together, I prefer to keep details private with respect to this lady.

Shakira you sexy mammacita - if you read this, thanks for a great time and I will def see you again.
